Proposal 1. ADOPTION OF AUDITED FINANCIAL STATEMENTS

The Company seeks shareholders' adoption of the audited financial statements of the Company (the "**Audited Financial Statements**"), which have been prepared under Singapore Generally Accepted Accounting Principles, in respect of the financial year ended December 31, 2009. Along with the Audited Financial Statements, the Company seeks shareholders' adoption of the Report of the Directors, Statement by Directors, and Auditor's Report of the Company in respect of the same financial year.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by shareholders entitled to vote at the AGM.

The Board of Directors of the Company (the "Board of Directors") recommends a vote FOR this proposal.

Proposal 2. APPROVAL OF APPOINTMENT OF AUDITORS

The Company seeks shareholders' approval for the appointment of GHP Horwath, P.C. and Horwath First Trust LLP, members of Horwath International, as the independent auditors of the Company to hold such office until the conclusion of the next Annual General Meeting of the Company. The Board of Directors also seeks shareholders' approval to authorize the Board of Directors to fix the remuneration for GHP Horwath, P.C. and Horwath First Trust LLP in respect of their service to the Company for the financial year ended December 31, 2010.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by the shareholders entitled to vote thereon.

The Board of Directors recommends a vote FOR this proposal.

Proposal 3. APPROVAL OF DIRECTORS' REMUNERATION

The Company seeks shareholders' approval on the remuneration of Directors in an aggregated amount not exceeding US\$700,000 in respect of their professional services to the Company until the conclusion of the next Annual General Meeting of the Company.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by the shareholders entitled to vote thereon.

The Company's management recommends a vote FOR this proposal.

Proposal 4. APPROVAL FOR AUTHORITY TO ALLOT AND ISSUE SHARES

The Company is incorporated in Singapore. Under the Companies Act, Chapter 50 of Singapore (the "**Companies Act**"), the Directors may exercise any power of the Company to issue new Shares only with the prior approval of the shareholders of the Company at a general meeting. Such approval, if granted, is effective from the date of the meeting at which it was given to the conclusion of the next Annual General Meeting of the Company or the expiration of the period within which the next Annual General Meeting of the Company is required by law to be held, whichever is earlier.

Shareholders' approval is sought to give Directors authority to allot and issue new Shares and other instruments convertible into Shares during the period from the Eleventh Annual General Meeting to the earlier of the next Annual General Meeting or the period within which the next Annual General Meeting of the Company is required by law to be held.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by shareholders entitled to vote at the AGM.

The Board of Directors recommends a vote FOR this proposal.

Proposal 5. APPROVAL FOR SHARE PURCHASE MANDATE

The approval of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.

In managing the business of the Company and its subsidiaries (the “**Group**”), management strives to increase shareholders’ value by improving, *inter alia*, the return on equity of the Group. A share purchase by the Company is one of the ways through which the return on equity of the Group may be enhanced.

A Share purchase is also an available option for the Company to return surplus cash which is in excess of the financial and possible investment needs of the Group to its shareholders. In addition, the Share Purchase Mandate will allow the Company to have greater flexibility over, *inter alia*, the Company’s share capital structure and its dividend policy.

The Company intends to use internal sources of funds or external borrowings or a combination of both to finance the Company’s purchase or acquisition of the Shares pursuant to the Share Purchase Mandate. The Directors do not propose to exercise the Share Purchase Mandate to such extent that it would materially and adversely affect the financial position of the Group.

Share repurchase programmes may also help buffer short-term share price volatility and off-set the effects of short-term speculators and investors and, in turn, bolster shareholder confidence and employee morale.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by shareholders entitled to vote at the AGM.

The Board of Directors recommends a vote FOR this proposal.

Proposal 6. ADOPTION OF GIGAMEDIA LIMITED 2010 EMPLOYEE SHARE PURCHASE PLAN

Proposal 7. ADOPTION OF GIGAMEDIA LIMITED 2010 EQUITY INCENTIVE PLAN

The requirements for shareholders' approval under the Companies Act extends to issuance of new Shares arising from the conversion, exchange or exercise of other securities, including warrants or options to subscribe for new Shares of the Company or to purchase from the Company other securities issued or to be issued by the Company, debt securities and securities which are convertible into, exchangeable for, or exercisable for new Shares, and new Shares pursuant to any offers, agreements, options, undertakings, guarantees and/or indemnities to made, entered into or issued by the Company.

Accordingly, shareholders' approval is sought for the Plan and for the grant of options, awards and issuance of Shares as may be required to be issued pursuant to the exercise of the options and awards granted under the GigaMedia Limited 2010 Equity Incentive Plan, which is attached to this proxy statement as Appendix 2.

The following is a summary of the material terms of the GigaMedia Limited 2010 Equity Incentive Plan.

Purpose	To provide equity-based incentives to participants to increase their efforts on behalf of the Company and its subsidiaries.
Eligibility	Individuals who are non-employee directors, officers and other employees, advisors and consultants providing services to the Company and its subsidiaries.
Shares Reserved for Issuance	1,000,000 Shares subject to adjustment in the case of dividend or other distribution, recapitalization, stock split, reorganization, merger, consolidation or other similar corporate transaction.

Shares to be issued under the Plan may be unissued Shares or Shares repurchased by the Company, whether in the open market, in private transactions or otherwise.

If any part of an award granted under the Plan is forfeited, cancelled, exchanged or surrendered, or if an award terminates or expires without a distribution of Shares to the grantee, the Shares subject to such award will be again available for awards under the Plan.

Administration

The Committee appointed by the Company's Board of Directors will administer the plan but may delegate its authority to a subcommittee or to a group of Company management employees.

The Plan administrator has the right to determine (1) who will be selected for participation in the Plan; (2) the terms and conditions of any award granted under the Plan, including without limitation the number of Shares to be subject to the award and whether the grant, vesting or payment of any award will be contingent upon the achievement of performance goals; and (3) to make any determinations necessary or desirable for administration of the Plan.

Types of Awards:

Options

Options are the opportunity to purchase Shares in the future at a pre-determined purchase price, which under the Plan may not be less than the fair market value of the underlying shares on the date of grant.

Options granted under the Plan may be "incentive stock options" within the meaning of Section 422 of the United States Internal Revenue Code of 1986, as amended, or nonqualified stock options.

Options granted under the Plan may have a term of not more than ten years; the agreement setting forth the terms of the option will contain terms with respect to vesting and exercisability as the Plan administrator will determine.

Options may be exercised by the payment of cash or by the exchange of Shares previously acquired by the option holder, through a so-called broker cashless exercise procedure approved by the Plan administrator, or a combination of the foregoing.

Stock Appreciation Rights (SARs)

An SAR confers the right to receive, with respect to each Share subject to the SAR, cash or Shares equal to the excess of (1) the fair market value of a Share on the date of exercise of the SAR over (2) the exercise price of the SAR, which may not be less than the fair market value of a Share on the date of grant.

The Plan administrator has the right to determine whether an SAR will be payable in cash or Shares; the agreement setting forth the terms of the SAR will contain such other terms as the plan administrator may decide.

An SAR granted under the Plan may have a term of not more than ten years.

SARs granted under the Plan may be granted in tandem with a stock option or by itself; SARs granted in tandem with an option will be exercisable only to the extent the tandem stock option is exercisable and will have the same exercise price as the tandem stock option.

Restricted Stock

Restricted stock awards consist of Shares which are subject to forfeiture and may not be transferred by the holder until the applicable vesting conditions lapse.

Holders of restricted stock granted under the Plan may be given certain rights of ownership such as the right to vote the Shares and to receive dividends; the payment of dividends may be deferred until such time as the vesting conditions on the underlying stock have lapsed.

Restricted Stock Units

A restricted stock unit confers the right to receive Shares or cash, or a combination of Shares and cash, at such time as the applicable vesting conditions lapse.

The Plan administrator will determine whether cash or Shares, or a combination of Shares and cash, will be paid in respect of vesting restricted stock units.

The agreement setting forth the terms of the grant of restricted stock units will contain such other terms as the Plan administrator may decide, which may include the payment of dividend equivalents.

Other Equity-Based Awards	The value of other-equity-based awards granted under the Plan will be based on or related to the value of Shares; the type of awards to be granted and all terms and conditions of the awards will be determined by the Plan administrator.
Change in Control	Unless otherwise determined by the Plan administrator, upon a change in control of the Company (as defined in the Plan), all awards then outstanding under the Plan will become fully vested and/or exercisable, and any performance goals applicable to the awards will be deemed satisfied.
Amendment of Awards	The Plan administrator may amend any award granted under the Plan from time to time; however, no adverse amendment to any award will be effective without the award holder's consent.
Term of Plan	Unless earlier terminated by the Company, the Plan will automatically expire on the eleventh anniversary of its adoption.
Termination of Plan	The Plan may be terminated by the Company at any time; however, termination of the Plan will not adversely affect any award that is outstanding at the time of plan termination.
Amendment of Plan	The Plan may be amended by the Plan administrator at any time; however, no amendment to the Plan may adversely affect an award that is outstanding at the time of amendment without the award holder's consent.
Governing Law	The laws of the Republic of Singapore.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by shareholders entitled to vote at the AGM.

The Board of Directors recommends a vote FOR this proposal.

Each such notice shall be effective for subsequent Offering Periods until modified or terminated by the Participant.

c. If the Offering Period is being administered with the intent of qualifying Common Stock to be purchased as eligible for treatment as purchased under an employee stock purchase plan under Section 423 of the Code, the purchase price per Common Stock subject to an offering shall be not less than 85% of the lesser of (i) the Fair Market Value of Common Stock as of the Offering Date or (ii) the Fair Market Value of Common Stock as of the Exercise Date (or as of such other time or times determined by the Committee).

d. The Committee may determine that an Offering Period shall be administered with the intent that the purchase rights granted with respect to such Offering Period shall qualify as non-compensatory under FAS 123(R). In such event the purchase price for the Common Stock offering during such Offering Period shall be not less than 95% of the Fair Market Value of Common Stock as of the Exercise Date.

5. Contributions.

a. A Participant may, in accordance with rules adopted by the Committee, authorize a payroll deduction (or such other method of payment determined by the Committee) of any whole percentage from 2 percent to 10 percent of such Participant's Compensation for each pay period occurring during the applicable Offering Period. A Participant may increase or decrease such payroll deduction (including a cessation of payroll deductions) at any time but not more frequently than once per calendar month, by filing a new authorization form with the Committee. Such authorization will remain effective for subsequent Offering Periods until modified or terminated by the Participant. For purposes of this Plan, any reference to contributions is deemed to also include any other method of contribution determined by the Committee from time to time.

b. All contributions made by a Participant shall be credited to such Participant's account under the Plan.

c. No Participant may contribute more than \$25,000 under the Plan per calendar year if the Plan is being administered with the intent of qualifying the Common Stock to be purchased as eligible for treatment as purchased under an employee stock purchase plan under Section 423 of the Code.

6. Exercise of Purchase Rights.

a. Unless a Participant withdraws from the Plan as provided in Section 8 hereof, such Participant's right to purchase Common Stock will be exercised automatically on the Exercise Date, and the maximum number of Common Stock subject to such right will be purchased for such participant at the applicable purchase price with the accumulated contributions in such participant's account.

b. Any cash balance remaining in a Participant's account after the termination of an Offering Period will be carried forward to the Participant's account for the purchase of Common Stock during the next Offering Period if the Participant elects to participate in such subsequent Offering Period, and will be repaid to the Participant if the Participant does not participate in such subsequent Offering Period.

7. Delivery of Common Stock.

As promptly as practicable after Common Stock are purchased upon exercise of the purchase right hereunder, the Company shall arrange the delivery to such Participant a share certificate representing the Common Stock which the Participant purchases.

8. Withdrawal; Termination of Employment.

a. A Participant may withdraw all, but not less than all, the contributions credited to such Participant's account (that have not been used to purchase Common Stock) under the Plan at any time by giving written notice to the Company received prior to the Exercise Date. All such contributions credited to such Participant's account will be paid to such Participant promptly after receipt of such Participant's notice of withdrawal and such Participant's purchase right for the Offering Period in which the withdrawal occurs will be automatically

terminated. No further payroll deductions for the purchase of Common Stock will be made for such participant during such Offering Period and for the following Offering Period.

b. Upon termination of a Participant's Continuous Status as an Employee during an Offering Period for any reason, including voluntary termination, retirement or death, the contributions credited to the Participant's account that have not been used to purchase Common Stock will be returned to such Participant or, in the case of such Participant's death, to the person or persons entitled thereto under Section 12 hereof, and such Participant's purchase right will be automatically terminated.

9. Interest.

No interest shall accrue or be paid on any contributions credited to a Participant's account under the Plan.

10. Common Stock.

a. The maximum number of Common Stock which shall be reserved for sale under the Plan shall be 200,000, subject to adjustment upon Changes in Capitalization of the Company as provided in Section 15 hereof. If the total number of Common Stock which would otherwise be subject to purchase rights granted pursuant to Section 4.a. hereof on an Offering Date exceeds the number of Common Stock then available under the Plan (after deduction of all Common Stock for which purchase rights have been exercised or are then outstanding), the Committee shall make a pro rata allocation of the Common Stock remaining available for purchase in as uniform a manner as shall be practicable and as it shall determine to be equitable. In such event, the Committee shall give written notice to each Participant of such reduction of the number of Common Stock available for purchase and shall similarly reduce the rate of payroll deductions if necessary.

b. Common Stock to be delivered to a Participant under the Plan will be registered in the name of the Participant.

11. Administration. The Plan shall be administered by the Committee, and the Committee may select an administrator to whom its duties and responsibilities hereunder may be delegated. The Committee shall have full power and authority, subject to the provisions of the Plan, to promulgate such rules and regulations as it deems necessary for the proper administration of the Plan, to interpret the provisions and supervise the administration of the Plan, and to take all action in connection therewith or in relation thereto as it deems necessary or advisable. Any decision reduced to writing and signed by a majority of the members of the Committee shall be fully effective as if it had been made at a meeting duly held and shall be binding on all parties. The Company will pay all expenses incurred in the administration of the Plan. No member of the Committee shall be personally liable for any action, determination, or interpretation made in good faith with respect to the Plan, and all members of the Committee shall be fully indemnified by the Company with respect to any such action, determination or interpretation.

12. Designation of Beneficiary.

a. A Participant may file, on forms supplied by and delivered to the Company, a written designation of a beneficiary who is to receive any Common Stock and cash remaining in such Participant's account under the Plan in the event of the Participant's death.

b. Such designation of beneficiary may be changed by the Participant at any time by written notice. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such Common Stock and/or cash to the executor or administrator of the estate of the Participant or, if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Common Stock and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

13. Transferability. Neither contributions credited to a Participant's account nor any rights to purchase or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 12 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with section 8 hereof.

14. Use of Funds. All contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such contributions.

15. Effect of Certain Changes. In the event of a Change in Capitalization or the distribution of an extraordinary dividend, the Committee shall conclusively determine the appropriate equitable adjustments, if any, to be made under the Plan, including without limitation adjustments to the number of Common Stock which have been authorized for issuance under the Plan but have not yet been placed under purchase rights, as well as the price per Common Stock covered by each purchase right under the Plan which has not yet been exercised.

16. Plan Amendment or Termination. The Board may terminate or amend the Plan at any time and for any reason or no reason. Except as provided in Section 15 hereof, no such termination can adversely affect purchase rights previously granted and no amendment may make any change in any purchase right theretofore granted which adversely affects the rights of any Participant.

17. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the

location, or by the person, designated by the Company for the receipt thereof.

18. Regulations and Other Approvals: Governing Law.

a. This Plan and the rights of all persons claiming hereunder shall be construed and determined in accordance with the laws of the Republic of Singapore without giving effect to the choice of law principles thereof.

b. The obligation of the Company to sell or deliver Common Stock with respect to purchase rights granted under the Plan shall be subject to all applicable laws, rules and regulations, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

19. Effective Date. The Plan shall become effective upon the later to occur of (i) the date of its adoption and (ii) the date on which it is approved by the stockholders of the Company. The Plan shall be voted on by the stockholders of the Company within one year prior to, or following, the date on which it is authorized and approved by the Company.

3. Administration.

The Plan shall be administered by the Committee. The Committee shall have the authority in its discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to grant Awards; to determine the persons to whom and the time or times at which Awards shall be granted; to determine the type and number of Awards to be granted, the number of shares of Company Stock to which an Award may relate and the terms, conditions, restrictions and performance criteria relating to any Award, including whether the grant, vesting, payment or other settlement of any Award may be subject to the attainment of performance goals; and to determine whether, to what extent, and under what circumstances an Award may be settled, cancelled, forfeited, exchanged, or surrendered; to make adjustments in the terms and conditions of, and the performance goals (if any) included in, Awards; to construe and interpret the Plan and any Award; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of the Award Agreements (which need not be identical for each Grantee); to re-price (or cancel and re-grant) any Option or, if applicable, other Award at a lower exercise, base or purchase price; and to make all other determinations deemed necessary or advisable for the administration of the Plan, including without limitation the determination to delegate or authorize any of the above-listed powers to a subcommittee of the Committee or to a committee comprised of members of Company management.

The Committee may appoint a chairperson and a secretary and may make such rules and regulations for the conduct of its business as it shall deem advisable, and shall keep minutes of its meetings. All determinations of the Committee shall be made by a majority of its members either present in person or participating by conference telephone at a meeting or by written consent. The Committee may delegate to a subcommittee of one or more of its members or to one or more agents (including members of Company management) such duties as it may deem advisable, and the Committee or any person or group to whom it has delegated duties as aforesaid may employ one or more persons to render advice with respect to any responsibility the Committee or such person may have under the Plan. All decisions, determinations and interpretations of the Committee shall be final and binding on all persons, including but not limited to the Company, any subsidiary of the Company or any Grantee (or any person claiming any rights under the Plan from or through any Grantee) and any shareholder.

No member of the Board or Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any Award granted hereunder.

4. Eligibility.

Awards may be granted to selected non-employee directors, officers and other employees, advisors or consultants of the Company or any Subsidiary, in the absolute discretion of the Committee. In determining the persons to whom Awards shall be granted and the type of any Award (including the number of shares to be covered by such Award), the Committee shall take into account such factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan.

5. Stock Subject to the Plan.

The maximum number of shares of Company Stock reserved for the grant of Awards under the Plan shall be 1,000,000 (all or any number of which may be granted as ISOs), subject to adjustment as provided herein. Such shares may, in whole or in part, be shares that shall have been or may be reacquired by the Company in the open market, in private transactions or otherwise. If any shares of Company Stock subject to an Award are forfeited, cancelled, exchanged or surrendered or if an Award terminates or expires without a distribution of shares to the Grantee, or if shares of Company Stock are surrendered or withheld as payment of either the exercise price of an Award and/or withholding taxes in respect of an Award, such shares shall, to the extent of any such forfeiture, cancellation, exchange, surrender, withholding, termination or expiration, again be available for Awards under the Plan. Upon the exercise of any Award granted in tandem with any Awards such related Awards shall be cancelled to the extent of the number of shares of Company Stock as to which the Award is exercised and, notwithstanding the foregoing, such number of shares shall no longer be available for Awards under the Plan.

In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Company Stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Company Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Grantees under the Plan, then the Committee shall make such equitable changes or adjustments as it deems necessary or appropriate to any or all of (i) the number and kind of shares of Company Stock or other property (including cash) that may thereafter be issued in connection with Awards, (ii) the number and kind of shares of Company Stock or other property (including cash) issued or issuable in respect of outstanding Awards, (iii) the exercise price, grant price, or purchase price relating to any Award; provided, that, with respect to ISOs, such adjustment shall be made in accordance with Section 424(h) of the Code; and (iv) the performance goals applicable to outstanding Awards.

6. Terms of Awards.

(a) General. The Committee is authorized to grant the Awards described in this Section 6, under such terms and conditions as deemed by the Committee to be consistent with the purposes of the Plan. Each Award granted under the Plan shall be evidenced by an Award Agreement containing such terms and conditions applicable to such Award as the Committee shall determine at the date of grant or thereafter. Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company or a Subsidiary upon the grant, maturation, or exercise of an Award may be made in such forms as the Committee shall determine at the date of grant or thereafter, including, without limitation, cash, Company Stock, or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis. In addition to the foregoing, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter, such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

(b) Options. The Committee is authorized to grant Options to Grantees on the following terms and conditions:

(i) Type of Award. The Award Agreement evidencing the grant of an Option under the Plan shall designate the Option as an ISO or an NQSO.

(ii) Exercise Price. The exercise price per share of Company Stock purchasable under an Option shall be determined by the Committee. The exercise price for Company Stock subject to an Option may be paid in cash or by an exchange of Company Stock previously owned by the Grantee, through a "broker cashless exercise" procedure approved by the Committee (to the extent permitted by law), or a combination of the above, in any case in an amount having a combined value equal to such exercise price. An Award Agreement may provide that a Grantee may pay all or a portion of the aggregate exercise price by having shares of Company Stock with a Fair Market Value on the date of exercise equal to the aggregate exercise price withheld by the Company.

(iii) Term and Exercisability of Options. Options shall be exercisable over the exercise period (which shall not exceed ten years from the date of grant), at such times and upon such conditions as the Committee may determine, as reflected in the Award Agreement; provided, that the Committee shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as it, in its sole discretion, deems appropriate. An Option may be exercised to the extent of any or all full shares of Company Stock as to which the Option has become exercisable, by giving written notice of such exercise to the Committee or its designated agent.

(iv) Special Provisions Applicable to Incentive Stock Options. Notwithstanding any other provisions of the Plan, the following terms shall apply to ISOs:

- (1) ISOs may be granted only to Participants who are employees of the Company or any Subsidiary.
- (2) The exercise price of an ISO shall be not less than 100% of the Fair Market Value of the Company Stock as of the date of grant; provided, that the exercise price of an ISO granted to a "ten percent shareholder" (within the meaning of 422(c)(5) of the Code) shall not be less than 110% of the Fair Market Value of the Company Stock as of the date of grant.
- (3) The term of an ISO granted to a ten percent shareholder shall be no longer than five years from the date of grant.
- (4) The aggregate Fair Market Value (determined as of the date of grant) of shares of Company Stock with respect to which ISOs are exercisable for the first time by a Grantee during any calendar year (under the Plan or under any other incentive stock option plan of the Company) shall not exceed \$100,000.
- (5) In the event that the Code or the regulations promulgated thereunder applicable to ISOs are amended after the Effective Date of the Plan in a manner that would cause the provisions of this Section 6(b)(5) to be inconsistent with such amended sections, such amended sections shall be automatically incorporated into the Plan and shall apply to all ISOs to the extent permitted by the Code.

To the extent that an Option intended to qualify as an Incentive Stock Option does not qualify for such treatment, such Option shall be treated as a Nonqualified Stock Option.

(v) Other Provisions. Options may be subject to such other conditions including, but not limited to, restrictions on transferability of the shares acquired upon

exercise of such Options, as the Committee may prescribe in its discretion or as may be required by applicable law.

(c) SARs. The Committee is authorized to grant Stock Appreciation Rights to Grantees on the following terms and conditions:

(i) In General. Unless the Committee determines otherwise, an SAR (1) granted in tandem with an NQSO may be granted at the time of grant of the related NQSO or at any time thereafter or (2) granted in tandem with an ISO may only be granted at the time of grant of the related ISO. An SAR granted in tandem with an Option shall be exercisable only to the extent the underlying Option is exercisable. Payment of an SAR may be made in cash, Company Stock, or other property as specified in the Award or determined by the Committee

(ii) SARs. An SAR shall confer on the Grantee a right to receive an amount with respect to each share subject thereto, upon exercise thereof, equal to the excess of (1) the Fair Market Value of one share of Company Stock on the date of exercise over (2) the grant price of the SAR (which in the case of an SAR granted in tandem with an Option shall be equal to the exercise price of the underlying Option, and which in the case of any other SAR shall be such price as the Committee may determine; provided, that the per share exercise price of an SAR may not be less than the Fair Market value of a share of Company Stock on the date of grant).

(iii) Term and Exercisability of SARs. SARs shall be exercisable over the exercise period (which shall not exceed ten years from the date of grant), at such times and upon such conditions as the Committee may determine, as reflected in the Award Agreement; provided, that the Committee shall have the authority to accelerate the exercisability of any outstanding SAR at such time and under such circumstances as it, in its sole discretion, deems appropriate. An SAR may be exercised to the extent of any or all full shares of Company Stock as to which the SAR has become exercisable, by giving written notice of such exercise to the Committee or its designated agent.

(d) Restricted Stock. The Committee is authorized to grant Restricted Stock to Grantees on the following terms and conditions:

(i) Issuance and Restrictions. Restricted Stock shall be subject to such restrictions on transferability and other restrictions, if any, as the Committee may impose at the date of grant or thereafter, which restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee may determine. The Committee may place restrictions on Restricted Stock that shall lapse, in whole or in part, only upon the attainment of performance goals. Except to the extent restricted under the Award Agreement relating to the Restricted Stock, a Grantee granted Restricted Stock shall have all of the rights of a shareholder including, without limitation, the right to vote Restricted Stock and the right to receive dividends thereon.

(ii) Forfeiture. Upon termination of employment with the Company and its Subsidiaries, or upon termination of the director or independent contractor relationship, as the case may be, during the applicable restriction period, Restricted Stock and any accrued but unpaid dividends that are then subject to restrictions shall be forfeited; provided, that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Stock.

(iii) Certificates for Stock. Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Grantee, such certificates shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company shall retain physical possession of the certificate.

(iv) Dividends. Dividends paid on Restricted Stock shall be either paid at the dividend payment date, or deferred for payment to such date as determined by the Committee and set forth in the Award Agreement, in cash or in shares of unrestricted Company Stock having a Fair Market Value equal to the amount of such dividends. Company Stock distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Company Stock or other property has been distributed.

(e) Restricted Stock Units. The Committee is authorized to grant Restricted Stock Units to Grantees on the following terms and conditions:

(i) Award and Restrictions. Delivery of Company Stock or cash, as determined by the Committee, will occur upon expiration of the deferral period specified for Restricted Stock Units by the Committee. The Committee may place restrictions on Restricted Stock Units that shall lapse, in whole or in part, only upon the attainment of performance goals.

(ii) Forfeiture. Upon termination of employment with the Company and its Subsidiaries, or upon termination of the director or independent contractor relationship, as the case may be, during the applicable deferral period or portion thereof to which forfeiture conditions apply, or upon failure to satisfy any other conditions precedent to the delivery of Company Stock or cash to which such Restricted Stock Units relate, all Restricted Stock Units and any accrued but unpaid dividend equivalents that are then subject to deferral or restriction shall be forfeited; provided, that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock Units will be waived in whole or in part in the event of termination resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Stock Units.

(iii) Dividend Equivalents. The Committee may in its discretion determine whether Restricted Stock Units may be credited with dividend equivalents at such time as dividends, whether in the form of cash, Company Stock or other property, are paid with respect to the Company Stock. Any such dividend equivalents shall be credited in the form of additional Restricted Stock Units and shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock Unit with respect to which such dividend equivalent was credited.

(f) Other Stock-Based Awards. The Committee is authorized to grant Other Stock-Based Awards to Grantees in such form as deemed by the Committee to be consistent with the purposes of the Plan. Awards granted pursuant to this paragraph may be granted with value and payment contingent upon performance goals. The Committee shall determine the terms and conditions of such Awards at the date of grant or thereafter.

7. Change in Control Provisions.

Unless otherwise determined by the Committee and evidenced in an Award Agreement, in the event of a Change of Control:

(a) any Award carrying a right to exercise that was not previously vested and exercisable shall become fully vested and exercisable; and

(b) the restrictions, deferral limitations, payment conditions, and forfeiture conditions applicable to any other Award granted under the Plan shall lapse and such Awards shall be deemed fully vested, and any performance conditions imposed with respect to Awards shall be deemed to be fully achieved.

8. General Provisions.

(a) Nontransferability. Unless otherwise provided in an Award Agreement, Awards shall not be transferable by a Grantee except by will or the laws of descent and distribution and shall be exercisable during the lifetime of a Grantee only by such Grantee or his guardian or legal representative.

(b) No Right to Continued Employment, etc. Nothing in the Plan or in any Award, any Award Agreement or other agreement entered into pursuant hereto shall confer upon any Grantee the right to continue in the employ of or to continue as a director of the Company or any Subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Award Agreement or other agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Grantee's employment, or director or independent contractor relationship.

(c) Taxes. The Company or any Subsidiary is authorized to withhold from any Award granted, any payment relating to an Award under the Plan, including from a distribution of Company Stock, or any other payment to a Grantee, amounts of withholding and other taxes due in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Grantees to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Company Stock or other property and to make cash payments in respect thereof in satisfaction of a Grantee's tax obligations. The Committee may provide in the Award Agreement that in the event that a Grantee is required to pay any amount to be withheld in connection with the issuance of shares of Company Stock in settlement or exercise of an Award, the Grantee may satisfy such obligation (in whole or in part) by electing to have a portion of the shares of Company Stock to be received upon settlement or exercise of such Award equal to the minimum amount required to be withheld.

(d) Shareholder Approval; Amendment and Termination.

(i) The Plan shall take effect upon its approval by the shareholders of the Company.

(ii) The Board may at any time and from time to time alter, amend, suspend, or terminate the Plan in whole or in part; provided, however, that an amendment that requires shareholder approval in order for the Plan to continue to comply with any applicable law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of shareholders. Notwithstanding the foregoing, no amendment to or termination of the Plan shall affect adversely any of the rights of any Grantee, without such Grantee's consent, under any Award theretofore granted under the Plan.

(e) Expiration of Plan. Unless earlier terminated by the Board pursuant to the provisions of the Plan, the Plan shall expire on the tenth anniversary of the Effective Date. No Awards shall be granted under the Plan after such expiration date. The expiration of the Plan shall not affect adversely any of the rights of any Grantee, without such Grantee's consent, under any Award theretofore granted.

(f) No Rights to Awards; No Shareholder Rights. No Grantee shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Grantees. Except as provided specifically herein, a Grantee or a transferee of an Award shall have no rights as a shareholder with respect to any shares covered by the Award until the date of the issuance of a stock certificate to him for such shares.

(g) Unfunded Status of Awards. The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Grantee pursuant to an Award, nothing contained in the Plan or any Award shall give any such Grantee any rights that are greater than those of a general creditor of the Company.

(h) No Fractional Shares. No fractional shares of Company Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional shares of Company Stock or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(i) Regulations and Other Approvals.

(i) The obligation of the Company to sell or deliver Company Stock with respect to any Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(ii) Each Award is subject to the requirement that, if at any time the Committee determines, in its absolute discretion, that the listing, registration or qualification of Company Stock issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Company Stock, no such Award shall be granted or payment made or Company Stock issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Committee.

(iii) In the event that the disposition of Company Stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Company Stock shall be restricted against transfer to the extent required by the Securities Act or regulations thereunder, and the Committee may require a Grantee receiving Company Stock pursuant to the Plan, as a condition precedent to receipt of such Company Stock, to represent to the Company in writing that the Company Stock acquired by such Grantee is acquired for investment only and not with a view to distribution.

(iv) The Committee may require a Grantee receiving Company Stock pursuant to the Plan, as a condition precedent to receipt of such Company Stock, to enter into a shareholder agreement or "lock-up" agreement in such form as the Committee shall determine is necessary or desirable to further the Company's interests.

(j) Disclaimer of Liability. Notwithstanding any provision of the Plan or any Award Agreement to the contrary, the Committee and the Company shall not under any circumstances be held liable for any costs, losses, expenses and damages whatsoever and howsoever arising in any event, including but limited to the Company's delay in issuing, or procuring the transfer of, shares of Company Stock or applying for or procuring the listing of such shares on any securities exchange.

(k) Section 409A. The intent of the parties is that payments and benefits under the Plan comply with Section 409A of the Code to the extent subject thereto, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and be administered to be in compliance therewith. Notwithstanding

anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, a Grantee shall not be considered to have terminated employment with the Company for purposes of the Plan and no payment shall be due to a Grantee under the Plan or any Award Agreement until the Grantee would be considered to have incurred a "separation from service" from the Company within the meaning of Section 409A of the Code. Any payments described in the Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Notwithstanding anything to the contrary in the Plan, to the extent that any Awards are payable upon a separation from service and such payment would result in the imposition of any individual excise tax and late interest charges imposed under Section 409A of the Code, the settlement and payment of such portion of such Award shall instead be made on the first business day after the date that is six months following such separation from service (or death, if earlier).

(l) Governing Law. The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the Republic of Singapore without giving effect to the conflict of laws principles thereof. Grantees, by accepting Awards in accordance with the Plan, submit to the exclusive jurisdiction of the courts of the Republic of Singapore.
